AGAINST AUSTERITY  
THE PEOPLE'S  
ASSEMBLY NORTH EAST

**Northern Public Services Alliance and  
People's Assembly North East Pre-Budget Rally**  
**Tuesday 7 July 2015 - 4.30pm**

**Assemble: 4.30pm at Princess Square next to Newcastle City Library (NE1 8UR) and  
then rally at 5.00pm at Ceremonial Way next to Newcastle Civic Centre (NE1 8QH)**

The Tory government are planning even greater cuts to public services and more attacks on social security while redistributing wealth to the richest 1% in society. Whether you are worried about the scale of cuts and privatisation of local public services, reduced tax credits or levels of hardship, join us for this protest the day before the Budget. As well as showing opposition, we will highlight the alternatives to austerity and the need for a People's Budget that is in the interests of the many not the richest few.
